Section 5. Conversion of Membership. By a written request signed by all persons having an interest therein, a membership in the name of one person, a joint membership, or a membership as tenants in common, may be converted to a membership of another of the three types. Such written request shall contain the agreement by all persons having an interest in the membership involved, to comply with the articles of incorporation, bylaws and rules and regulations adopted by the Board of Directors. The changed membership status shall be indicated on the records of the Cooperative.

Section 6. Member Classes. Based upon a Member's use, receipt, or purchase of one (1) or more Cooperative Services, the Cooperative may group Members in the following classes ("Member Classes"):

Class A Member: Any Member using, receiving, or purchasing –

- (a) Solely from and through the Cooperative all electric power, natural gas and/or telecommunications/broadband services used, received, or purchased for; and
- (b) All Cooperative Services associated with, or regarding, the provision of electric power, natural gas and/or telecommunications/broadband services to a residential, or commercial, dwelling or structure, owned, controlled, or directly occupied by the Member.

Class B Member: Any Member using, receiving or purchasing any Cooperative Service regarding the provision of electric power, natural gas and/or telecommunications/broadband services to any dwelling or structure owned, controlled, or directly occupied by the Member.

Section 7. Membership Agreement. The Articles of Incorporation and these Bylaws are contracts between the Cooperative and a Member. By becoming a Member, each Member acknowledges that:

- (a) Every Member is a vital and integral part of the Cooperative;
- (b) The Cooperative's successful operation depends upon every Member complying with the Governing Documents; and
- (c) All Members are united in an interdependent relationship.

A Member shall:

- (a) Comply with the Governing Documents;
- (b) Provide and maintain a current mailing address, telephone number or email address, if any, with the Cooperative; and

- (c) Pay the Cooperative for the Cooperative's damages, costs, or expenses, including attorney fees and legal expenses, caused by or associated with the Member's failure to comply with the Governing Documents.

If a Member fails to comply with the Governing Documents, then, as provided by these Bylaws, the Cooperative may suspend or terminate the Member or the Cooperative Service provided to the Member. Regardless of whether money damages are available or adequate, the Cooperative may:

- (a) Bring and maintain a legal action to enjoin the Member from violating the Governing Documents; and
- (b) Bring and maintain a legal action to order the Member to comply with the Governing Documents.

In general, a Member is not liable to third parties for the Cooperative's acts, debts, liabilities, or obligations solely because of membership in the Cooperative. A Member may become liable to the Cooperative as provided in the Governing Documents or as otherwise agreed to by the Cooperative and the Member.

Section 8. Termination of Membership.

- (a) Any Member may withdraw from membership upon compliance with such uniform terms and conditions as the Board of Directors may prescribe. Subject to any regulations imposed by lawful authority, the Board of Directors may, by the affirmative vote of not less than two-thirds (2/3) of all Members of the Board of Directors, expel any Member who fails to comply with any of the provisions of the articles of incorporation, by-laws, policies, rules or regulations adopted by the Board of Directors, but only if such Member shall have been given written notice by the Cooperative, via registered United States mail, that such failure makes him or her liable to expulsion and such failure shall have continued for at least ten (10) days after such notice was mailed. Any expelled Member may be reinstated by vote of the Board of Directors or by vote of the Members at any annual or special meeting. The membership of a Member who for a period of six (6) months after service is available has not purchased electric power, natural gas and/or telecommunications/broadband services from the Cooperative, or of a Member who has ceased to purchase electric power, natural gas, and/or telecommunications/broadband services from the Cooperative, may be cancelled by resolution of the Board of Directors.
- (b) Upon the withdrawal, death, or expulsion of a member, or cessation of existence of a member which is other than a natural person, the membership of such member shall thereupon terminate, and the membership certificate of such member, if any, shall automatically be cancelled. Termination of membership in any manner shall not release a member, his estate, or, if the member is other than a natural person, shall not release the entity, from any debts due the Cooperative.
- (c) Upon the legal separation or divorce of the holders of a joint membership, such membership shall continue to be held solely by the one who continues to occupy or use the premises covered by such membership, in the same manner and to the same effect as though such membership had never been joint. This provision shall not affect the ownership of funds held by the Cooperative in the names of the joint owners, and further provided, that neither joint owner shall be released from debts due the Cooperative arising from the joint ownership.
- (d) A member who has been expelled or who has terminated membership in the Cooperative does not affect the rights the Cooperative has in regards to any service area

agreement the Cooperative may have with any public utility or municipal utility, nor shall it affect any rights of the Co-operative pursuant to the Illinois Electric Supplier Act.

Section 9. Non-Liability for Debts of the Cooperative. The private property of the members of the Cooperative shall be exempt from execution for the debts of the Cooperative, and no member shall be individually liable or responsible for any debts or liabilities of the Cooperative.

Section 10. Provision of Cooperative Services. The Cooperative shall provide Cooperative Services to Members in a reasonable manner. The Cooperative, however, neither guarantees nor warrants continuous or flawless provision of Cooperative Services. The Cooperative's responsibility and liability for providing Cooperative Services terminates upon delivery of any Cooperative's Service to a Member or other Person acting for a Member.

After providing the Member reasonable notice and an opportunity to comment orally or in writing, the Cooperative may suspend or terminate provision of any Cooperative Services to any Member.

Upon:

- (a) Determining that a Member has tampered or interfered with, damaged, or impaired any product, equipment, structure, or facility furnished or used by the Cooperative to provide, monitor, measure, or maintain any Cooperative Service ("Cooperative Equipment");
- (b) Discovering the unsafe condition of any Cooperative Equipment; or
- (c) Discovering any imminent hazard or danger posed by any Cooperative Equipment; then, without providing the Member notice or an opportunity to comment, the Cooperative may suspend the Member, and may suspend or terminate provision of Cooperative Services to Member.

Section 11. Purchase of Cooperative Services. As required or allowed by Law, and unless otherwise specified in writing by the Board, each Member shall use, receive, or purchase Cooperative Services from the Cooperative. Each Member shall comply with, and abide by, any policy, program, rule, procedure, or other determination promulgated by the Board regarding the provision of Cooperative Services to the Member.

- (a) Payments to Cooperative. At prices, rates, or amounts determined by the Board, and in a manner specified by the Cooperative, each Member shall pay the Cooperative for all:
 - (1) Cooperative Services used, received, or purchased:
 - (i.) by the Member; or
 - (ii.) at, or for, any dwelling or structure owned, controlled, or directly occupied by the Member; and
 - (2) Reasonable dues, assessments, fees, deposits, contributions, or other amounts required by Law, these ByLaws, or the Board.
 - (3) A subscription to ILLINOIS COUNTRY LIVING, or a successor publication, published by the Association of Illinois Electric Cooperatives, a newsletter published by this Cooperative, or other publication whose purpose and objective is to provide news and information concerning this Cooperative, the electric cooperatives in Illinois and the nation. The Board of Directors shall select the publication.

- (b) Interest and Late Payment Fees. As determined by the Board, Members shall pay interest, compounded periodically, and late payment fees for all amounts owed, but not timely paid, to the Cooperative. Notwithstanding the Cooperative's accounting procedures, the Cooperative may apply all amounts paid by any Member to all of the Member's accounts on a pro rata basis, or as otherwise determined by the Board.
- (c) Reduction in Cooperative Services. As required or allowed by Law, and as determined by the Board,
 - (i.) If a Member substantially reduces or ceases the Member's use, receipt, or purchase of Cooperative Services, either singly or in combination; then
 - (ii.) The Cooperative may charge the Member, and the Member shall pay the Cooperative, the reasonable costs and expenses incurred by the Cooperative in relying upon the Member's pre-reduction or preceasing use, receipt, or purchase of Cooperative's Services.

Section 12. Member Grant of Property Rights. As required by the Cooperative for a Cooperative Purpose, each Member shall: (1) Provide the Cooperative temporary, or permanent, safe and reliable access to, and use of any portion of Member Property; and (2) pursuant to terms and conditions specified by the Cooperative, and without compensation from the Cooperative, grant or convey to the Cooperative a written or oral easement, right-of-way, license, or right or interest in Member Property, and execute a document regarding this grant or conveyance.

A "Cooperative Purpose" is at any time, and in a manner determined by the Cooperative: (1) purchasing, installing, constructing, inspecting, monitoring, operating, repairing, maintaining, removing, relocating, upgrading, or replacing Cooperative Equipment or Member Equipment connected to Cooperative Equipment; (2) clearing, trimming, removing, or managing any trees, bushes, brush, or other vegetation; (3) providing a Cooperative Service to a member or one or more other Members; (4) monitoring, measuring, or maintaining a Cooperative Service provided to a Member or one or more other Members; (5) Providing electric energy, gas or broadband services to a Person or one or more other Persons; (6) monitoring, measuring, or maintaining electric energy provided to a Person or one or more other Persons; (7) authorizing, permitting, satisfying, or facilitating an obligation incurred, or right granted, by the Cooperative regarding use of Cooperative Equipment; or (8) safely, reliably, and efficiently operating the Cooperative or providing a Cooperative Service.

No Member shall tamper or interfere with, damage, or impair any Cooperative Equipment. Unless otherwise determined by the Board, the Cooperative owns all Cooperative Equipment. Each Member shall protect all Cooperative Equipment, and shall install, implement, and maintain any protective device or procedure reasonably required by the Cooperative.

Each Member shall comply with any procedure required by the Cooperative regarding the provision of any Cooperative Service to any Member or Person.

ARTICLE III MEETINGS OF MEMBERS

Section 1. Annual and Regular Member Meetings. Within a county in which the Cooperative provides any Cooperative Services, the Cooperative:

- (a) Shall annually hold a meeting of Members ("Annual Member Meeting"); and

(b) Shall regularly hold meetings of Members (“Regular Member Meeting”).

The Board shall determine the date, time, and location of any Annual Member Meeting or Regular Member Meeting.

At the Annual Member Meeting, the President and Treasurer shall provide a written report, or oral presentation, regarding the Cooperative’s activities and financial condition. The Cooperative’s failure to hold an Annual Member Meeting or Regular Member Meeting does not affect any action taken by the Cooperative.

Section 2. Special Meetings. Special meetings of all the members may be called by at least four (4) directors, by the Chairman of the Board, or by thirty percent (30%) or more of all of the membership, and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings may be held at any place within the area served by the Cooperative as designated by the Board of Directors and shall be specified in the notice of the special meeting.

Section 3. Permitted Member Action at Member Meetings. At any Annual Member Meeting, Regular Member Meeting, or Special Member Meeting (collectively, “Member Meeting”), Members may consider, vote, or act only upon a matter for which:

Written or printed notice stating the place, day and hour, and in the case of a special member meeting, the purposes for which the meeting is called, shall be delivered not less than five (5) calendar days nor more than sixty (60) calendar days before the date of the meeting, either personally or by mail, by or at the direction of the Secretary, or upon default in duty by the Secretary, by the persons calling the meeting, to each member; in the case of a removal of one or more directors, a merger, consolidation, dissolution or sale, lease or exchange of assets said notice must be given not less than 20 nor more than 60 days before the date of the meeting, by or at the direction of the Chairman of the Board, or the Secretary, or the officer or persons calling the meeting, to each member of record entitled to vote at such meeting. If mailed, the notice is given when it is deposited or when a newsletter or other publication of the Cooperative or of an affiliated organization which includes the notice is deposited, in the United States mail, with postage prepaid thereon, addressed to such person at his or her address as it appears on the records of the Cooperative. The failure of any member to receive notice of an annual or special meeting of the members shall not invalidate any action which may be taken by the members at any such meeting.

Section 5. Quorum. The number of members to constitute a quorum at a meeting of members shall be fifty (50). In case of a joint membership, or a membership held by tenants in common, the presence at a meeting by either joint member or both, or by one of the tenants in common, shall be regarded as the presence of one member. If less than a quorum is present at any meeting, a majority of those present may adjourn the meeting, provided a new notice is mailed to each member specifying the time and place of the adjourned meeting.

Section 6. Voting.

- (a) Each member shall be entitled to one (1) vote and no more upon each matter submitted to a vote at a meeting of the members. At all meetings of the members at which a quorum is present, all questions shall be decided by a vote of a majority of the members voting thereon in person, except as otherwise provided by law, the certificate of incorporation of the Cooperative, or these bylaws.
- (b) Members residing within a district from which a director is to be elected shall vote for director by ballot as hereinafter provided in these bylaws. Members who do not reside within, or member organizations not located within the Cooperative service area, shall vote for director to represent the district in which the member's premises receiving service are located. If the member receives service at locations in more than one district, the member shall be entitled to vote only in the district where the member's existing service was first received. If the member votes by mail ballot, the marked but unsigned ballot shall be enclosed in a sealed envelope which shall bear the signature of the member. In the counting of the votes, the envelope shall be separated from the ballot so that the member's vote shall remain secret

Section 7. Participation in Member Meetings Through Conference Telephone or Other Communications Equipment. Unless the Board of Directors shall determine otherwise, as to a specific meeting, members entitled to vote at a membership meeting shall not participate in and act at any membership meeting through the use of a conference telephone or other communications equipment.

Section 8. Proxies. Proxy voting is prohibited at all meetings of members of this Cooperative and references to proxy voting in any part of these ByLaws are therefor null and void and shall be deleted.

Section 9. Informal Action Not Permitted. The taking of informal action by the members by written consent and without a meeting, as provided by the Illinois General Not For Profit Act of 1986, Paragraph 107.10, is not permitted.

Section 10. Order of Business. The Board shall determine the agenda and order of business for Member Meetings. All meetings of the Members shall be governed by Robert's Rules of Order, as amended.

ARTICLE IV DIRECTORS

Section 1. General Powers. All powers of the Cooperative shall be exercised by or under authority of, and the business and affairs of the Cooperative shall be managed under the direction of, the Board of Directors, except as other-wise provided by law, the articles of incorporation, or these bylaws. The number of directors shall be equal to the number of directors as is set forth in Section 3 of this Article.

Powers of the Board of Directors (without limitation because of designation) shall include the determination and fixing of classifications of business and rates to be charged by the Cooperative for services furnished, the promulgation and enforcement of policies, rules and regulations governing service to patrons, and the selection or nomination of directors, delegates or other representatives of the Cooperative at meetings of organizations of which the Cooperative may be a member including the power to remove such director, delegate or representative.

Section 2. Director Districts. The Cooperative may equitably divide the general area in which Members are located or reside (“Cooperative Service Area”) into ten (10) districts (“Director Districts”). If necessary, the Board may revise the Director District to ensure that Members are equitably represented by the Director Districts.

One of said ten (10) districts shall be identified as the Farmers District and shall be comprised of the area formerly served by the electric cooperative known as Farmers Mutual Electric Company near Geneseo, Illinois, as well as any areas surrounding said service area added to the Farmers District after the merger of the Cooperative and Farmers Mutual Electric Company.

Within thirty (30) days following any Director District revision, and at least thirty (30) days before the next Annual Member Meeting, the Cooperative shall notify, in writing, any Members affected by the Director District revision. Director District revisions are effective on the date the Cooperative releases written notice of the Director District revision. No Director District revision may:

- (a) Increase an existing Directors’ Director Term; or
- (b) Unless the affected Director consents in writing, shorten any existing Director’s Director Term..

Section 3. Board. The Cooperative shall have a board consisting of one natural person for each director district elected by the Class A and Class B members located or residing in each respective director district. Due to the merger of the Cooperative and Farmers Mutual Electric Company, the following special schedule of directors to represent the Farmers District described in Section 2 of this Article shall be followed:

- (a) For years 2013, 2014 and until the Annual Meeting of the Cooperative in 2015, three (3) directors shall be appointed by the Board of Directors of Farmers Mutual Electric Company prior to said merger who shall serve as directors of the Cooperative for the Farmers District; and
- (b) Beginning with the Annual Meeting of the Cooperative in 2015 and until the Annual Meeting of the Cooperative in 2018, two (2) directors shall represent the Farmers District who shall be duly elected by the members of the Farmers District at the election of directors to be held immediately prior to the Annual Meeting of the Cooperative in 2015; and
- (c) Beginning with the Annual Meeting of the Cooperative in 2018 and until the Annual Meeting of the Cooperative in 2021, one (1) director shall represent the Farmers District for a three (3) year term who is duly elected by the members of the Farmers District at the election of directors to be held immediately prior to the Annual Meeting of the Cooperative in 2018; and
- (d) Beginning in 2021 and thereafter, one (1) director of the Farmers District shall be elected for three (3) year terms as all other directors of the Cooperative are elected.

Section 4. Tenure and Qualifications.

- (a) **Tenure.** Directors shall be elected for three year terms on a staggered basis so that, except for the Farmers District as discussed in Sections 2 and 3 of this Article, no more than three of such terms shall expire at each annual meeting. Each director elected shall serve until the annual meeting when the term expires, or until the successor is elected and qualified, subject to the provisions of these bylaws with respect to the removal of directors.

- (b) Qualifications.** An individual shall be eligible to become or remain a director or hold a position of trust in the Cooperative if he/she meets the following qualifications:

- (c) Disqualification.** Upon the establishment of the fact that any person being considered for, or already holding a position of director, may lack eligibility to become or remain a director, it shall be the duty of the directors, upon reasonable notice to the person whose eligibility is in question, to hold a hearing on such matter. The directors shall find and determine whether such person is ineligible to become a director, or if already a director, is ineligible to remain a director under the qualifications provided in these bylaws. In making such determination, if the person whose eligibility is being considered is a director, that person may not vote. If the remaining directors determine by a majority vote that the person, if a candidate, is ineligible to become a director, then such person's name shall be withdrawn as a candidate for director. If the person is already a director, then that person shall be ineligible to remain a director, and his or her office as a director shall forthwith become vacant.

After being elected or appointed a Director, if any Director fails to comply with Director Qualifications and Conflict of Interest Director Qualifications, then, unless otherwise determined by the Board for good cause, the Director is no longer a Director. If at least a majority of Directors authorized by these ByLaws comply with the Director Qualifications and Conflict of Interest Director Qualifications and approve a Board action, then the failure of any Director to comply with all Director qualifications and Conflict of Interest Director Qualifications does not affect the Board action.
- (f) **Grandfather Clause.** This amendment to this Section 4 of this bylaw approved at the annual meeting held on the 13th day of April, 2013, shall not apply to any sitting director or any director elected immediately prior to said annual meeting. - (j) Each member may vote for one (1) Director for the District in which the member resides, or in which the member is entitled to vote only when the director for that district is up for election.
- (k) If a member prefers, instead of using the mail ballot, he or she may cast his or her vote by ballot in person at the Cooperative office, by electronic ballot as facilitated by the Cooperative or by such other method as the Board of Directors may determine from time to time.
- (l) All balloting shall be concluded on or before four o'clock (4:00) p.m. of the day prior to the annual meeting.
- (m) The ballots shall be counted by the Credentials and Election Committee which shall report the results to the members at the annual meeting. Said Credentials and Election Committee shall be appointed by the Board of Directors not less than sixty (60) days prior to the date the annual meeting shall be held.

- (s) Notwithstanding anything in this section contained, failure to comply with any of the provisions of this section shall not affect in any manner whatsoever the validity of any election of directors.

Section 6. Vacancies. Subject to the provisions of these bylaws with respect to the removal of directors, a vacancy in the office of director shall be filled by a majority vote of remaining directors and a director thus elected shall serve until the next annual meeting of the members or until a successor shall have been elected and shall have qualified.

All appointments made by the Board shall be from the respective districts in which said vacancies occur. Consistent with these ByLaws, the Board of Directors shall determine the existence of a vacancy.

Section 7. Removal of Director by District Members. Any district member may bring charges against a director of the Member's district by filing with the Secretary such charges in writing together with a petition signed by at least thirty percent (30%) of the members or 300, whichever is the lesser, requesting the removal of such director. Upon receipt of such petition it shall be the duty of the Secretary or the Board of Directors to call a special meeting of the members of such director's district to hear the same. Such director shall be informed in writing of the charges at least ten days prior to the meeting of the members at which the charges are to be considered and shall have an opportunity at the meeting to be heard in person or by counsel and to present evidence in respect of the present evidence in respect of the charges; and the person or persons bringing the charges against the director shall have the same opportunity. The question of the removal of such director shall be considered and voted upon by members of the director's district. The director may be removed by the vote of two-thirds (2/3) of the members voting from director's district. Any vacancy created by such removal may be filled by vote of the members of the district at such meeting without compliance with the foregoing provisions with respect to nominations. The notice given to members of this meeting shall state that the purpose of the meeting is to vote upon the removal of one director named in the notice. Only the named director may be removed at such meeting.

Section 8. Compensation. Directors shall not receive any salary for their services as such, but by resolution of the Board a fixed sum for each day or portion thereof spent on Cooperative business, such as attendance at meetings, conferences, and training programs, or performance of committee assignments or other services when authorized by the Board, along with reasonable expenses actually and necessarily incurred, may be allowed. No director shall receive

compensation for serving the Cooperative in any other capacity, nor shall any close relative of the director receive compensation for serving the Cooperative, unless the payment and amount of compensation shall be specifically authorized by a vote of the members, or the service by the director or close relative shall be certified by the Board of Directors as an emergency measure.

As used in these ByLaws, the term “close relative” means an individual who:

- (a) Is, either by blood, law, or marriage, including, half, step, foster and adoptive relations, a spouse, child, grandchild, parent, grandparent, or sibling; or
- (b) Principally resides in the same residence.

A committee shall have such power and authority as given by the Board, subject to the restrictions and limitations of law.
- (b) The Board of Directors may create, or appoint persons to, an advisory body or other such body which may or may not have directors as members, which body may not act on behalf of the Cooperative or bind it to any action but may make recommendations to the Board of Directors or officers.

If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed with postage thereon pre-paid. If sent electronically, such notice shall be deemed to be given and delivered, upon being sent. Section 4. Quorum. A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, provided, that if less than a

The Board of Directors shall also after the close of each fiscal year cause to be made a full and complete audit of the accounts, books and financial condition of the Cooperative as of the end of such fiscal year. A summary of such audit shall be submitted to the members at the next succeeding annual meeting.

ARTICLE VIII COOPERATIVE OPERATION

Section 1. Nonprofit and Cooperative Operation. The Cooperative:

- (a) shall operate on a nonprofit and cooperative basis for the mutual benefit of all Members; and
- (b) may not pay interest or dividends on capital furnished by Patrons.

Section 2. Allocating Capital Credits. The Cooperative shall allocate Capital Credits as provided in this Bylaw.

(a) **Patron.** The term “Patron” means, during a fiscal year:

- (1) a Member; and
- (2) any other Person using a Cooperative Service to whom the Cooperative is obligated to allocate Capital Credits, which obligation existed before the Cooperative received payment for the Cooperative Service.

(b) **Allocating Earnings.** For each Cooperative Service provided during a fiscal year, the Cooperative shall equitably allocate to each Patron, in proportion to the quantity or value of the Cooperative Service used by the Patron during the fiscal year, the Cooperative’s operating earnings from providing the Cooperative Service during the fiscal year. Operating earnings mean the amount by which the Cooperative’s operating revenues from providing a Cooperative Service exceed the Cooperative’s operating expenses of providing the Cooperative Service, all as determined under federal cooperative tax law.

For each fiscal year, the Cooperative may, as determined by the Board of Directors, use, retain, or equitably allocate the Cooperative’s non-operating earnings. Non-operating earnings mean the amount by which the Cooperative’s non-operating revenues during the fiscal year exceed the Cooperative’s non-operating expenses during the fiscal year, less any amount needed to offset an operating loss.

(c) **Allocating Losses.** For each Cooperative Service provided during a fiscal year, the Cooperative shall:

- (1) equitably allocate to each Patron, in proportion to the quantity or value of the Cooperative Service used by the Patron during the fiscal year, the Cooperative’s operating loss from providing the Cooperative Service during the fiscal year, or
- (2) offset the Cooperative’s operating loss from providing the Cooperative Service during the fiscal year:
 - (A) against the Cooperative’s operating earnings from providing the Cooperative Service during the next succeeding future fiscal year(s), or
 - (B) first against the Cooperative’s non-operating earnings during the current

fiscal year, second against the Cooperative's unallocated non-operating earnings during the past fiscal year(s), and third against the Cooperative's non-operating earnings during any future fiscal year(s). Operating loss means the amount by which the Cooperative's operating expenses of providing a Cooperative Service during a fiscal year exceed the Cooperative's operating revenues from providing the Cooperative Service during the fiscal year, all as determined under federal cooperative tax law.

For each fiscal year, the Cooperative shall:

- (1) allocate to each Patron, in proportion to the quantity or value of Cooperative Services used by the Patron during the fiscal year, the Cooperative's non-operating loss; or
 - (2) offset the Cooperative's non-operating loss against the Cooperative's non-operating earnings during any fiscal year(s). Non-operating loss means the amount by which the Cooperative's non-operating expenses during a fiscal year exceed the Cooperative's non-operating revenues during a fiscal year.
- (d) **Capital Credits.** For each amount allocated to a Patron, the Patron shall contribute a corresponding amount to the Cooperative as capital. The Cooperative must credit all capital contributions from a Patron to the capital account for the Patron. The Cooperative shall maintain books and records reflecting the capital contributed by each Patron. At the time of receipt by the Cooperative, each capital contribution is treated as though the Cooperative paid the amount allocated to the Patron in cash pursuant to a pre-existing legal obligation and the Patron contribute the corresponding amount to the Cooperative as capital. The term "Capital Credits" means the amounts allocated to a patron and contributed by the Patron to the Cooperative as capital.

Consistent with this Bylaw, the allocation of Capital Credits is in the discretion of the Board of Directors and the Board of Directors must determine the manner, method and timing of allocation of Capital Credits. The Cooperative may use or invest unretired Capital Credits as determined by the Board of Directors. To secure a Patron's obligations to pay amounts owed to the Cooperative, including any compounded interest and late payment fee, and in return for the Cooperative providing a Cooperative Service to the Patron, the Cooperative has a security interest in Capital Credits allocated to the Patron. The Patron authorizes the Cooperative to perfect this security interest by filing a financing statement.

- (e) **Different and Separate Allocations.** As reasonable and fair, the Cooperative may allocate Capital Credits to classes of similarly situated Patrons under different manners, methods and timing, provided the Cooperative allocates Capital Credits to similarly situated Patrons under the same manner, method, and timing. If the Cooperative is a member, patron, or owner of an Entity from which the Cooperative uses a good or service in providing a Cooperative Service and from which the Cooperative is allocated a capital credit or similar amount, then, as determined by the Board of Directors and consistent with this Bylaw, the Cooperative may separately identify and allocate the Cooperative's patrons this capital credit or similar amount allocated by the Entity.
- (f) **Joint Memberships.** Upon receiving a written notice and sufficient proof of the termination, conversion, or alteration of a Joint Membership:
- (1) through the death of a Joint Member, the Cooperative shall assign and transfer to each surviving Joint Member an equal portion of Capital Credits allocated or to be allocated, to the Joint Membership; or
 - (2) other than through the death of a Joint Member, and except as otherwise provided by

a court or administrative body of competent jurisdiction, and except as otherwise provided by the Joint Members, the Cooperative shall assign and transfer to each Joint Member an equal portion of Capital Credits allocated, or to be allocated, to the Joint Membership.

Section 3. Notification and Assignment of Capital Credits. Within a reasonable time after the end of the fiscal year, the Cooperative shall notify each Patron in writing or electronically of the stated dollar amount of Capital Credits allocated to the Patron for the preceding fiscal year.

Section 4. Retiring Capital Credits. The Cooperative may retire and pay Capital Credits allocated to Patrons and former Patrons as provided in this Bylaw. If the Cooperative retires and pays Capital Credits, then the Cooperative must retire and pay Capital Credits in a Patron's name as shown in the Cooperative's records, regardless of the Patron's marital status. If the Cooperative mails a retired Capital Credit payment, then the Cooperative shall mail the payment to the Patron or former Patron's address as shown in the Cooperative's records.

- (a) **General Capital Credit Retirements.** At any time before the Cooperative's dissolution, liquidation or other cessation of existence, the Cooperative may generally retire and pay some or all Capital Credits allocated to Patrons and former Patrons.
- (b) **Special Capital Credit Retirements.** The Cooperative may specially retire and pay some or all Capital Credits allocated to an individual Patron or former Patron:
 - (1) after the death of the individual;
 - (2) after receiving a written or electronic request from the deceased individual's legal representative; and
 - (3) according to the terms and conditions agreed upon by the Cooperative and the deceased individual's legal representative.

The Cooperative may specially retire and pay some or all Capital Credits allocated to an Entity Patron or former Entity Patron:

- (A) during or after the entity's dissolution, liquidation or other cessation of existence;
 - (B) after receiving a written or electronic request from the entity or the entity's legal representative; and
 - (C) according to the terms and conditions agreed upon by the Cooperative and the entity or the entity's legal representative.
- (c) **Capital Credit Recoupment and Offset.** Regardless of a statute of limitations or other time limitation, after retiring Capital Credits allocated to a Patron or former Patron, the Cooperative may recoup, offset, or setoff an amount owed to the Cooperative by the Patron or former Patron including any compounded interest and late payment fee, by reducing the allocated or net present value amount of retired Capital Credits paid to the Patron or former Patron by the amount owed to the Cooperative.
 - (d) **Capital Credit Retirement Discretion.** The Cooperative may retire and pay Capital Credits only if the Board of Directors determines that the retirement and payment will not adversely impact the Cooperative's financial condition. Consistent with this Bylaw, the retirement and payment of Capital Credits are in the sole discretion of the Board of Directors and are not affected by previous retirements and payments. The manner, method, and timing of retiring and paying Capital Credits may be determined only by the Board of Directors.
 - (e) **Different and Separate Capital Credit Retirements.** As reasonable and fair, the Cooperative may retire and pay Capital Credits to classes of similarly situated Patrons and former Patrons under different manners, methods, and timing, provided the

Cooperative retires and pays Capital Credits to similarly situated Patrons and former Patrons under the same manner, method, and timing. If the Cooperative separately identified and allocated Capital Credits representing capital credits or similar amounts allocated to the Cooperative by an entity in which the Cooperative is or was a member, patron, or owner, then the Cooperative may retire and pay these Capital Credits before or after the entity retires and pays the capital credits or similar amounts to the Cooperative.

- (f) **Discounted Capital Credit Payments.** As determined by the Board of Directors, before the time the Cooperative anticipates normally retiring and paying Capital Credits, the Cooperative may retire some or all Capital Credits and pay the net present value of the retired Capital Credits. If the Cooperative retires and pays the net present value of Capital Credits to a Patron or former Patron before the Cooperative anticipates normally retiring and paying the Capital Credits, then the amount of Capital Credits not paid may be used or retained as permanent, unallocated equity,
- (g) **Unclaimed Capital Credits.** The Cooperative may regularly impose a reasonable dormancy or service charge for each year a Patron or former Patron fails to claim Capital Credits retired and paid to the Patron or former Patron. As allowed by Law, the Cooperative may retain Capital Credits retired and paid to a Patron or former Patron, but not claimed by the Patron or former Patron within five (5) years of retirement and payment.

Section 5. Patron Agreement. Each Patron and former Patron agrees that:

- (a) Capital Credits are not securities under State or Federal law;
- (b) the Patron's right to Capital Credits vests, accrues, becomes redeemable, and becomes payable only upon the Cooperative retiring the Capital Credits as provided in these Bylaws, and not upon the Cooperative allocating the Capital Credits.

Section 6. Reasonable Reserves. Regardless of a contrary Bylaw, and to meet the Cooperative's reasonable needs, the Cooperative may accumulate and retain amounts exceeding those needed to meet current losses and expenses ("Reasonable Reserves"). The Cooperative must keep records necessary to determine, at any time, each Member's rights and interest in Reasonable Reserves.

ARTICLE IX DISPOSITION AND MORTGAGING OF PROPERTY, MERGER AND OFFER TO SELL

Section 1. Disposition and Mortgaging of Property in General. The Cooperative may not sell, mortgage, lease, or otherwise dispose of or encumber all or any substantial portion of its property unless such sale, mortgage, lease, or other disposition or encumbrance is authorized at a meeting of the members thereof by the affirmative vote of not less than two-thirds (2/3) of all of the members of the Cooperative and unless the notice of such proposed sale, mortgage, lease, or other disposition or encumbrances shall have been contained in the notice of the meeting; provided however that, notwithstanding anything herein contained, the following shall apply:

1. the Board of Directors of the Cooperative, without authorization by the members thereof, shall have full power and authority to borrow money from the United States of America or any agency or instrumentality thereof, or from the Rural Utilities Cooperative Finance Corporation or other financing institution or bank, as the Board of Directors shall select, and in connection with such borrowing to authorize the execution and delivery of a mortgage or mortgages or a deed or deeds of trust upon, or the pledging or encumbering of any or all of the property, assets, rights, privileges, licenses, franchises, and permits of the

Cooperative, whether acquired or to be acquired, and wherever situated, as well as the revenues and income therefrom, all upon such terms and conditions as the Board of Directors shall determine, to secure any indebtedness of the Cooperative; and

2. if the entity to which this Cooperative proposes to sell, lease or otherwise dispose of all or a substantial portion of its property is or are electric cooperative(s) organized and existing under Illinois, Wisconsin or Iowa Statutes, and has/have been engaged in producing or furnishing electric power and/or natural gas to its or their members at cost and without profit for at least two years prior to such sale, lease or other disposition, an affirmative vote of a majority of the members of the Board of Directors voting thereon at a Regular or Special Meeting of the Board of Directors called for that purpose shall constitute approval of such sale, lease or other disposition of such property.

Section 2. Merger. This Cooperative may merge or consolidate with one or more other electric cooperatives upon compliance with the provisions of law relating thereto. If the other cooperative or cooperatives with which this Cooperative proposes to merge or consolidate is or are electric cooperative(s) organized and existing under Illinois, Wisconsin or Iowa Statutes, and have been engaged in producing or furnishing electric power and/or natural gas to its or their members at cost and without profit for at least two years prior to such merger or consolidation, an affirmative vote of a majority of members of the Board of Directors voting thereon at a Regular or Special Meeting of the Board of Directors called for that purpose shall constitute approval of the plan of merger or consolidation. Likewise, if this Cooperative proposes to merge or consolidate with an electric cooperative which is an entity resulting from merger or consolidation of other electric cooperatives meeting the qualifications set forth above, an affirmative vote of a majority of members of the Board of Directors voting thereon at a Regular or Special Meeting of the Board of Directors called for that purpose shall constitute approval of the plan of merger or consolidation. If the proposed merger or consolidation is with one or more organizations not meeting the foregoing qualifications, approval of the plan of merger or consolidation shall require the affirmative vote of a majority of the members of the Cooperative in attendance at an Annual, Regular or Special Meeting of the members called, at least in part, for that purpose.

Section 3. Procedure for the Sale of all or Substantially all of the Cooperative Property. If at any time the Cooperative shall receive an offer to buy all or substantially all of its assets from a person or organization which is other than an electric cooperative organized under the Not-For-Profit Corporation Act of Illinois, or Chapter 185 of the Wisconsin or Iowa Statutes, which has been engaged in producing or furnishing electric power, natural gas and/or telecommunications/broadband services to its members at cost and without profit for at least two years thereto, or other than an entity resulting from the merger or consolidation of electric cooperatives meeting the foregoing qualifications, the Board of Directors is authorized, in its sole discretion, to determine whether or not such offer shall be submitted to the Cooperative membership for vote.

The Board of Directors shall base its decision on what it considers to be in the best interest of the Cooperative and its members. Among other factors, it shall consider what it believes would be the impact of a sale on the dependability and adequacy of service necessary to meet the present and future needs of its members, and the rates to be charged therefore. If the Board approves such proposal, it shall adopt a resolution recommending such sale, lease, exchange, or other disposition and directing the submission thereof to a vote at a meeting of members entitled to vote which may be either an annual or a special meeting.

ARTICLE X VOLUNTARY DISSOLUTION

Section 1. Voluntary Dissolution. The Cooperative may be dissolved by a vote of members entitled to vote in the following manner:

- (a) The Board of Directors shall adopt a resolution, which may be with or without their recommendation, proposing that the corporation be dissolved voluntarily, and directing that the question of such dissolution be submitted to a vote at a meeting of members to vote on dissolution, if any, which may be either an annual or special meeting.
- (b) Written notice stating that the purpose, or one of the purposes, of the meeting is to consider the voluntary dissolution of the Cooperative, shall be given to each member entitled to vote on dissolution within the time and in the manner provided in these bylaws for the giving of notice of meetings of members. ARTICLE XI MISCELLANEOUS

Section 1. Membership in Other Organizations. The Cooperative may, upon authorization of the Board, become a member of, or purchase stock in, any other organization when, in the judgment of the Board, such membership or purchase will foster and further the aims and objectives of the Cooperative in furnishing low cost electric energy to its members.

Section 2. Waiver of Notice. Any member or board member may waive in writing any notice of a meeting required to be given by these bylaws. The attendance of a member or board member at any meeting shall constitute a Waiver of notice of such meeting by such member or board member, except in case a member or board member shall attend a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting has not been lawfully called or convened.

Section 3. Rules of Order. Except as otherwise provided by the Board at any time and except as otherwise provided in the Governing Documents, the latest edition of Robert's Rules of Order newly revised governs all Member, Board, Member Committee, and Board Committee meetings, documents, communications, and actions.

Section 5. Governing Law. These Bylaws must be governed by, and interpreted under, the laws of the State of Illinois.

Section 6. Titles and Headings. Titles and headings of Bylaw articles, sections, and subsections are for convenience and reference, and do not affect the interpretation, construction, or application of a Bylaw article, section or subsection.

Section 7. Partial Invalidity. When reasonably possible, every Bylaw article, section, subsection, paragraph, sentence, clause or provision (collectively, "Bylaw Provision") must be interpreted in a manner by which the Bylaw Provision is valid. The invalidation of a Bylaw Provision by an entity possessing proper jurisdiction and authority, which invalidation does not alter the fundamental rights, duties, and relationship between the Cooperative and Members, does not invalidate the remaining Bylaw Provisions.

Section 8. Cumulative Remedies. The rights and remedies provided in these Bylaws are cumulative. The Cooperative or a Member asserting a right or remedy provided in these Bylaws does not preclude the Cooperative or Member from asserting other rights or remedies provided in these Bylaws.

Section 9. Entire Agreement. Between the Cooperative and a Member, the Governing Documents:

- (a) constitute the entire agreement; and
- (b) supersede and replace a prior or contemporaneous oral, written, or electronic communication or representation.

Section 10. Successors and Assigns. Except as otherwise provided in these Bylaws:

- (a) the duties, obligations, and liabilities imposed upon, and the rights granted to, the Cooperative by these Bylaws are binding upon, and inure to the benefit of, the Cooperative's successors and assigns; and
- (b) the duties, obligations and liabilities imposed upon a Member by these Bylaws are binding upon the Member's successors and assigns.

The binding nature of the duties, obligations, and liabilities imposed by these Bylaws upon the successors and assigns of the Cooperative or a Member does not relieve the Cooperative or Member of the duties, obligations, and liabilities imposed by these Bylaws.

Section 11. Waiver. The failure of the Cooperative to assert a right or remedy provided in these Bylaws does not waive the right or remedy provided in these Bylaws.

Section 12. Lack of Notice. The failure of a Member or Director to receive notice of a Meeting, action, or vote does not affect, or invalidate, an action or vote taken by the Members or Board.

ARTICLE XII BUSINESS OFFICE

Section 1. Business Office. The Cooperative shall indemnify other employees and agents as required by law, and may indemnify such person upon a determination that indemnification of the employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct as provided by the Illinois General Not For Profit Act of 1986 and subsequent law.
